Homework

- ▶ In general, given out on a Monday and due in on a Friday via the assignments tab on Teams.
- ▶ Marking of homework– feedback will be given on Teams weekly and jotters will be collected and reviewed termly at holidays.
- ▶ Should be spending about 30 minutes per evening on homework in line with school policy.
- ▶ Homework should never be a battle. It is revision of concepts covered in class.
- ▶ Pupils must take responsibility for their own homework.
 - Remembering to hand it in on time
 - Completing to an appropriate standard
 - Ensuring they ask **before** Friday if they need help.
- ▶ Examples of homework tasks: Spelling, Maths, Language, Reading, Topic and personal projects.
- ▶ Reading for enjoyment–encouraging personal reading at home.
 - Novels/annuals/comics/magazines etc. Anything your child wants to read counts as reading.
 - (A recommended reading list will be uploaded onto Teams)

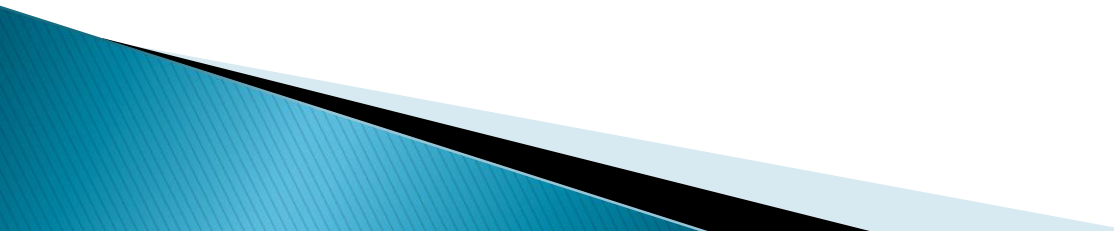

P.E – always outdoors

- ▶ Thursday with Mrs McIntyre.
- ▶ There will be a second PE slot throughout the week but this may vary. Your child will know in advance when this is and it will also be posted on Teams.
- ▶ Pupils should come to school in their PE kit and dressed appropriately for the weather.

Post-lockdown

- ▶ We are settling back into our new school routine and establishing expectations of behaviour.
 - ▶ We have had a major focus on the mental, emotional, social and physical wellbeing of all children.
 - ▶ We are continually assessing pupils in literacy and numeracy to identify any gaps in their learning.
- 

Transition

- ▶ A lot of what we do in Primary 7 is preparing children and equipping them with skills for High School to ensure they are ready for the transition.
- ▶ There will be a transition programme put into place in due course but this will obviously look different to previous years.
- ▶ We will keep you and the children updated of any decisions made regarding transitions/enhanced transitions.

Termly learning

- ▶ Each term you will receive a termly learning sheet to inform you of the focus of our learning in each curricular area.
