16th December - Christmas Parties
19th December Christmas Service
22nd December - school closes at 2.30pm
9th January - school reopens for term 3

More may be added but at least this gives you a flavour at this time of all that is happening.

Tonight, many are going to the fireworks. Some of the classes have done work on keeping safe during this event and we wish you all a safe and fun evening.

We have masses of clubs running at the moment and we are so grateful to staff who have volunteered to take clubs, supervise clubs and also to the pupils from Academy who offer up their time to do this. Please remember if you have a skill to offer then we would love to see how we can get you PVG and able to deliver a club for your children.

You will see above that both Parent Council and PTA are meeting next week. The PTA in particular need your support. The only way they can run events if they get support from the parent body. If you have ideas or suggestions, please do go along and be part of making things happen for your children.

Well done to the PTA on arranging for us to be part of the Co-op Local Community Fund. They were presented yesterday with a cheque for £2524.21. A big thank you if you donated at the store and chose our school.

The survey about Parent's Night is now closed. Thank you so much for your comments and your feedback. This will be shared with Parent Council on Monday. We had 142 responses, and we are very grateful so those who took the time to feedback. Our next Parents Evening is in March so we will take on board your suggestions for then.

Again a plea for waterproof jackets. The weather does not look as if it is going to get much better. We need to get outside for ventilation so please make sure your child has suitable clothing.

That's it for this week. Have a great weekend.
Sheona Allen
