

Happy New Year!

We are now back to school and it's always a busy term and a good term as we look forward to lighter nights and the winter passing.

Just a few updates for this week with all the dates for the term at the bottom.

Home learning month

January is the month where we change how we do homework and we encourage families to learn together. It is also a chance for children to choose what they would like to focus on. If for any reason there are resources you are short of for any of the activities, please do get in touch and we can supply what you need.

Parents Portal

Just a wee reminder if you have signed up for Parents Portal to use this for notifying absences. Additional functions are being looked at and hope to be rolled out in the coming year.

If you are having difficulty getting signed up, please contact the school office and we will arrange an appointment either by phone or in-person help you with this.

Nuts

Please remember we are a nut free zone and snacks and packed lunches should not contain any nut products.

Head lice

Please remember to regularly check your child's hair. It is a very common problem but the more we check the more we can stop it from becoming a problem.

Dates for the term - I'm sure more will be added!
