

Dear all,

It's been quite a week in the Meadow.

We are hopeful that the water issues will be over on Monday but have kept lots of bottles just in case so we are ready for all eventualities on Monday.

P7 residentials were a great success and all had a great time.

A reminder that on your parent portal you can find the calendar for all things that happen in school as well as the list at the bottom of this email.

We are asked regularly how parents can support their child at home. The below is an excellent way to help you help your child with their maths.

positive about
maths when
teaching your
kids](https://www.bbc.co.uk/bitesize/articles/z7p48xs)

Advice for parents
from the National
Numeracy charity

www.bbc.co.uk

We are looking forward to seeing you at Parents Night this week. For those who had an online meeting please do pop in to see around the classroom and make sure you give the children some feedback about what you have seen. We do encourage children to sit in on the conversation as it is their learning and should be involved in discussions about the important things in their lives.

Once again, we have had complaints and concerns raised about poor parking around the school. Please be considerate and think before you park. Also, we have had concerns raised about a dog being left in the lane and becoming distressed with the children walking past.

Today we had a dress down day for Turkey and Syria. All money raised will be sent to support a charity working with families in the worst hit areas.

Have a good weekend everyone,
Sheona

Dates for the term - I'm sure more will be added! *for any changes
