

Dear all,

Week one of the final term completed and what lovely weather we have had. On that note just a reminder about sunscreen, sun hats and water bottles. We tend to go out even more in this term so please be prepared for all weathers.

Our football team had another good week with a win against Lairdsland Primary. We have runners competing on Saturday at SSAA cross country championships.

At assembly this week we introduced a new Achievement tracker. Each child has an A4 leaflet where they are able to log their achievements. This could be sporting events, dancing events, Cubs, Scouts, Guides etc badges. It could also be things they have personally achieved like climbing a mountain or riding a bike or reading a chapter book. Achievements are personal to each individual so if they feel it is an achievement then they can record it. Once recorded they then come and see a member of the SLT who will encourage them and praise them for their efforts and either sign or stick a sticker on their achievement chart.

Once again can we remind you not to park in the car park especially not the disabled spaces.

We now have a house point system for P5-7. We will post a photo of the House Point tube on Facebook. Children are given house points for receiving certificates, displaying school values and other achievements. If they do something really impressive, they then receive a purple token which is worth 5 points or the gold star which is worth 10 points.

Congratulations on all those who took part in the Spring Holiday reading challenge. Certificates and house points will be awarded at Monday's house Assembly.

A little reminder of our annual survey.
