

The Learning Committee have worked really hard at consulting with all stakeholders and have finally concluding that our new value is Be determined.

Therefore our values are now

Be kind

Be safe

Be responsible

Be determined

The next step is now to embed this new value into our school ethos and we will be looking at what being determined means within our assemblies and classes.

The Learning Committee have also found out that their action plan to Rights Respecting Schools has been accepted and we are now a Bronze Rights committed school.

As you will now know the PTA have decided to hold a 7 year Celebration Day. The children in our P7 class were the first P1 class of Lenzie Meadow. Mrs Gordon is working closely with an organisation to arrange an activity programme for the 19th May.

P7 Leavers Disco is on the 2nd June in Lenzie Academy. More details next week.

Walk to school week is back! Details will follow about this soon but last year it was a great success and a lovely way to start the day.

Reminders

Again, there is no parking in the car park for drops and pickups at lenzie Meadow. Please can you pass this on to friends and families who are doing your pickups for you. We also are still seeing people parking in the nursery drop off, dropping children at nursery and then going into the school to drop off older children. This causes problems for the other nursery parents who then can't get a space. It also then has a knock-on effect as people then use the disabled spaces in their frustration.

We also have had to speak to several people about the speed in which they have driven into the school car park.

We are now discouraging hoodies from being worn in school. From the new session we will return to the original uniform. P7 are all now doing this as they prepare for the Academy.

Enjoy the long weekend and we look forward to welcoming our children back on Tuesday.

Sheona Allen

Dates for next term

8th May - Coronation

10th May - P2a trip to Kelvingrove Museum

11th May - P2/3 trip to the Burrell Museum

17th May - P1 trip to Science Centre
