

Today is a busy day and the internet at school will be going off at 3pm hence why the weekly update is a bit early.

Sports day! You will have had an email with all the times for both events. You are welcome to join us. Please be aware that you will not be able to come onto the Muga pitch but you will be able to follow your children round by the fence line. We will open the top gate to allow this to happen. We will be reminding all the children of our school values at an event this this and we need to remember that our school values should be also be modelled by all the adults as well. We must all be kind, safe, responsible and determined to have a great day. Please remember to apply sun screen and sun hats before the children come to school and make sure they have a full water bottle with them. It is always a great day. Also no dogs please in the playground. The PTA will be selling teas and coffees at the front door for those who would like. All money raised will go into the PTA fund and funds events like last Friday's celebration.

Yesterday there was another incident where a child was dropped off at the top gate in an unsafe manner. This person stopped partially over the pedestrian crossing and then proceeded to reverse over it. This is not acceptable. We do not have a drop off zone at this school and nobody should be coming into the school area unless they are nursery or have a blue disabled badge. The rules are there to keep all of our children safe but there a few people who think they don't apply to them. Can I ask you again to make sure that whoever picks up your children know this as when challenged people will often say they didn't know as they are a relative or child minder?

Friday and Monday are holidays so the school and EYC will be closed.

Our P7 Rotary team did extremely well this week in a competition at Holy Family and came second in the quiz. A well done to all of them.

Our Football Team also had a great tournament on Tuesday at the Jim McNairn and two of the teams managed to get through to the Gold round and the other team managed to win the silver division. Mr Hannah was very proud of them all.

We have a few more busy weeks until the end of term and some children will start to get anxious about next year and changes of teachers and stages. Keep talking with your children. When the adults around them are secure and show confident then the children feel secure and confident too.

Dates for this term

25th May Sports Day P1-4 morning, P5-7 afternoon
