

# Termly Learning P5 – Term 1

## In Numeracy and Maths:

- Place value
- Whole number and number processes
- Measure
- Mathematics – *its impact on the world, past, present and future*
- Mental Maths

There will also be opportunities to practise problem solving and mental maths skills throughout this term.

## In Health and Wellbeing:

- Growth Mindset
- Zones of regulation
- RSHP
  - Friends and friendship
  - Senses

The resources for all RSHP content can be accessed at home by using the following link:  
<https://rshp.scot/second-level/&tobegin>

- P.E.
- P5a – Monday & Tuesday  
P5b – Monday & Thursday
- Team games
  - Fitness through game – *speed, movement, spatial and game awareness*

## Homework:

- Two grids to be issued consecutively this term, each lasting 4 weeks.
- Each grid contains 12 activities covering a variety of curricular areas.
- Expectation of two activities to be completed each week.
- Activities can be recorded in homework jotters, through creating a model/poster/artwork, taking photos or uploading on teams.
- Children will be given the opportunity every fortnight to share the learning from their activities by either bringing it into school or uploading on to Teams.
- Verbal feedback will be given at each fortnightly check-in.

## In Literacy: Grammar

- Specific elements of grammar linked to novel study  
Charlotte's Web – openers, connectives and paragraphs.

## Reading

- Reading spine book
- Personal reading at home
- Development of Co-operative Reading skills - *revising and developing reading skills to improve our understanding of texts.*

## Writing

- Focusing on descriptive detail and paragraphs related to Charlotte's Web
- Imaginative writing for a younger audience
- Continuing to develop the use of cursive handwriting and displaying our work neatly.

## Talking and Listening

- Following increasingly complex instructions.
- Listening to and respecting our peers.

## Main Contexts for Learning:
