Outdoor Learning:

Where possible we look to take the children outdoors to enhance the learning experience in all curricular areas. As we are heading into the colder months, please ensure that your child comes to school prepared to go outdoors in all weather.

Homework

This term, homework will be a personal project related to **Global Goals and UNCRC**. This is related to our learning in class. There will be a guided structure that can be followed to encourage your child to manage their work. There will also be check-ins in class throughout this time. Pupils will present their project to the class and will receive feedback from their teacher and peers. The project should be sent through Teams or brought in on the date given by the class teacher.
