

Lenzie Meadow Primary

Meet your Teacher!

Community and connection are at the heart of school life at Lenzie Meadow Primary. Regularly seeking and providing opportunities for our children to mix, collaborate, learn and play together will support our aspiration to be inclusive, connected and allow our children to flourish as they develop and grow.

Welcome to Primary 6B!

Hello P6b! My name is Miss Airlie. I am so excited to be your teacher.

I'm Mrs Docherty! I'm looking forward to working with you this year.

Some things you might want to know about us!

Miss Airlie

- I love playing and watching all different types of sports. My favourite sports to play are football and shinty! If you haven't heard of shinty, it is similar to hockey and is from the Scottish highlands!
- When I was in school my favourite subject was history. I love to explore and find out new things about the past! I also love to teach PE, maths and writing!

Mrs Docherty

- I love rainbows and anything colourful. I love going to the cinema to see lots of films, and going to listen to bands playing my favourite music. My favourite things are a cup of tea and a Party Ring!
- I love to teach Numeracy. Every time we start a new topic, I think it's my favourite! I also love to teach music and enjoy hearing everyone's creativity.
