

Lenzie Meadow Primary

Meet your Teacher!

Community and connection are at the heart of school life at Lenzie Meadow Primary. Regularly seeking and providing opportunities for our children to mix, collaborate, learn and play together will support our aspiration to be inclusive, connected and allow our children to flourish as they develop and grow.

Welcome to Primary 3a!

I am so very excited to be moving into Primary 3 with you all. This time will look a little different - I will be your teacher all week. We are going to have so much fun!

Three things you might want to know about me!

- **I still love to go on lots of adventures with my black Labrador, Annie. She is the best!**
- **I have two siblings. I have a big brother and a little sister. We are all still super close. I like to travel with my sister, which is so much fun!**
- **If I could have any superpower in the world, I'd have to choose teleportation. I'd love to click my fingers and be anywhere in the world at any time. How cool would it be to see the world in 100 years' time?**
