Termly Learning P1 – Term 2

In Numeracy and Maths:

- **Numeracy** - develop and extend our knowledge of numbers to 30 (and beyond). Forwards and backwards counting, before, after and in between, ordering numerals and counting objects.
- **Time** - seasons, days of the week and months of the year and read o'clock times.
- **Addition** through counting on, using cubes and number lines.
- **Symmetry**

In Literacy:

- 'Jolly Phonics' sounds input – this will include some joined phonemes, e.g., ai, oa
- We will continue to practise how to write letters using the correct formation.
- In writing, we will introduce capital letters, finger spaces and full stops in a sentence.
- We will even have a go at sounding out and writing some simple words on our own!
- We will continue to learn key vocabulary from our reading books and focus on our reading tools.

Main Contexts for Learning

- **IDL –** our main themes this term are the wordless picture book 'The Tree and The River' and looking at Meta Skills within our learning.
- **Expressive Arts –** We will develop our drama, dance and music skills using the context of the Nativity. In Art, we will be focusing on shade and tone.
- **RME –** We will explore Judaism as part of a whole school focus, and Christianity through our Nativity.
- **Science –** exploring the change of seasons, autumn into winter. Exploring water and its different states.
- **French –** greetings, numbers to 10 and colours.

In Health and Wellbeing:

- We will be learning about firework safety.
- We will be taking part in Anti-Bullying Week.
- In RSHP our focus this term will be Pregnancy and Looking After a Baby and When I Feel Sad or Upset.

Lessons can be found at : https://rshp.scot/early-level/

- **In PE:**
  - Dance – Dance to music and following a sequence of steps. We will also explore Scottish Country dancing.
  - Fitness – Circuit training

P1A – Tuesday & Wednesday
P1B – Monday & Wednesday
P1C – Tuesday & Wednesday

Digital Literacy

This term, we will continue to learn how to log on to a laptop and use the keyboard and trackpad. We will also be learning about internet safety.
